## ARRANGEMENTS FOR YOUR WEDDING

### THE CHURCH

At Mount Carmel the feasts and seasons of the Church's year are marked by changes in the decoration and arrangement of the church, in particular, of the sanctuary and altar area.

Sometimes we are asked by couples to change the art and environment for their wedding. Your marriage, while a special occasion in itself, is nevertheless only one of seven celebrations in the church each weekend. These celebrations include four Masses of which the art and environment is an integral part. We are sure you will appreciate that it is simply not possible to change the art and environment or the arrangement of the sanctuary area. What has been prepared for the parish Sunday celebrations of the Eucharist must take precedence over the needs of more individual celebrations such as weddings. Nothing may be added to or taken from or moved about within the sanctuary or the church.

### CONFETTI, RICE & FLOWER PETALS

Under no circumstances should these be used either in the church or the church grounds. They create an incredible mess and can be health hazards.

### FLOWERS, RIBBONS & BOWS

Arrangement of flowers is the responsibility of the couple, whether it be a florist's arrangement or vases prepared by yourselves. (Our preferred florist is: Lush Blooms, 262 Old Cleveland Road, Coorparoo. Phone 3394 4872). *Please contact the parish office a week prior to the wedding to notify the time of your flower delivery*

Ribbons and bows may be placed on the seats prior to the wedding ceremony and should be removed immediately afterwards. No responsibility is taken for items left behind after the wedding. Please note that all bows and ribbons must be tied to the seats - sticky-tape, drawing pins, blutak, etc must not be used under any circumstances.

### VIDEO CAMERAS

Video cameras are permitted in the Church providing that your Celebrant agrees. Due to Health & Safety considerations only cameras with batteries are permitted. Cameras and lights which require the use of church power points are not permitted. Electrical cables and cords must not be used. Please make sure your photographers (including family members) are aware of these restrictions.

### MUSIC

Your wedding is a religious occasion. Care needs to be given to the choice of music so that it reflects the religious and spiritual aspects of Christian Marriage. Copyright law prohibits the performance and use of secular music and words without the permission of the publishers. The printing of words to religious songs is also governed by strict copyright laws. Please consult our Copyright Officer, Mrs Helen Craig 3349 9719 to ensure that Mount Carmel holds copyright licence for the hymns and songs you want to use. It is essential to advise her of your final selection which is required for reporting purposes when renewing our copyright licence.

### MUSICIANS

You are welcome to provide your own musicians if you wish. Except for the Organ and microphones, your musicians will need to provide their own equipment (eg, keyboard.). Mount Carmel musicians available for weddings are: Frances Doolan - Organ (3394 1438), Maureen Hassett – Organ (3343 7737 [AVH] ), Helen Craig - Vocal (3349 9719), Elizabeth Martin - Vocal (3843 5114), Luke Trimarchi (piano) & Catherine Gregory (flute) – contact Luke 3394 2086. A suitable fee should be discussed with the musician concerned.

### REHEARSAL

The best time for a rehearsal at Mount Carmel is the Thursday & Friday evenings prior to your wedding – (Thursday at either 6.30 pm or 8.30pm. Friday at 7.30pm) in the Church. It is usually very difficult to accommodate rehearsals at other times.

### TIME

It is important that your ceremony begins on time so that your guests and other people and any ceremony to follow will not be inconvenienced.

We accept the conditions outlined above and agree to abide by them.
