Thank you for supporting the Mt Carmel Community in its ministries.

Mt Carmel is implementing the Safeguarding Children and Vulnerable Adults Prevention and Protection Policy. As it is the case with the local sporting organisations and any other organisation that deals directly with children or vulnerable adults, you will be required to have an up to date Blue Card and Police Check. If you do not have a current Blue Card, the Parish office will provide you with the relevant applications and submit the documentation for you. This simple and straightforward application process will take place once you have registered your interest to take part in a ministry.

**Once again thank you for supporting Our Lady of Mount Carmel Parish, Coorparoo.**
